DR. CARL RENG

## PRESIDENT OF THE COLLEGE

In the pages of this annual you will find a great many pictures that will interest you. You will find pictures of your classmates, your instructors, campus organizations and a sample of most of the activities on the campus during the year.

This publication will become more valuable to you as the years go by. We hope that this year's ac-

tivities have given you a greater attachment to Arkansas State College and that your loyalty to your Alma Mater will increase as time passes on.

We of the faculty and staff pledge our continued efforts toward making your college a stronger institution each year.

#### DEAN'S MESSAGE

Arkansas State Junior College is happily operating as a part of the excellent educational program of higher learning designed by Arkansas State College for meeting the needs of college age youth of the state and particularly the northeast section of the state. We are endeavoring to fulfill our responsibilities for the higher education of those youth in this section of the area on the Junior college level.

The Beebe Branch offers an educational program

designed for maximum usefulness to those who shall terminate their formal training into the four year college level; to serve as a passageway for those who will continue into the four year colleges and the universities; to offer specific training for those who enter the teaching profession and positions in business; to satisfy the needs of those desiring agricultural, mechanical, and other scientific goals; and to train for efficient citizenship in modern society.

# 1955 Version Of Arkansas State Grid Indians

HERE ARE THE INDIANS of Arkansas State College that compiled a 6-3 football record during the 1955 season. The Tribesmen were lacking a little in experience and depth, but more than made up their debits with hustle and determination. Most of the above pictured squad will be back next year, so the future is definitely a bright one for the ASC gridders.

YOU CAN BET YOUR LIFE that the topic in the meeting shown at the right has something to do with football, as the five Arkansas State College coaches get together for a conference during a practice session last fall. Standing in the background is, left, end coach Duyne A. Parker and, right, freshman line coach Hal Stancil. On the front row, left to right, freshman backfield coach Paul Stovall, backfield coach King Block and head coach Gene Harlow.

## Arkansas State

THE INDIANS OPENED the season by soundly trouncing the Lewi College Flyers 42-6, as Coach Gene Harlow's team showed a definite improvement over the 1954 ASC eleven. Led by quarterback Tommy Spiers and a flock of fleet running backs, the ASC team ran all over the invading Illinois team. Frank Farella, Tom Blagg, Jesse Johnson, Jim Turley and Billy Davidson were mainstays in the line.

# Football Letterman

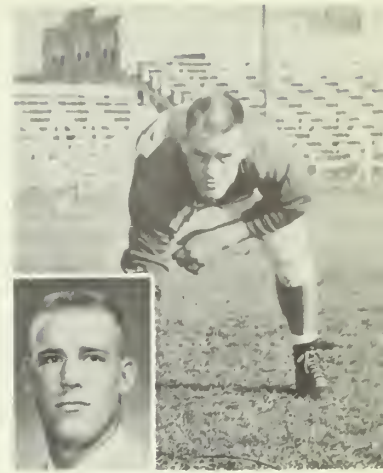

In the second game of the season the ASC Redmen bowed to a hard-fighting Florence (Ala.) State '11' by a 12-7 margin. The Indians were plagued by fumbles and a lack of game experience in the losing tilt. In the third encounter of the season the Tribesmen played before a capacity house on Homecoming afternoon, with Murry (Ky.) State being the opposition. The Thoroughbreds from the Blue Grass State carried home a 13-7 win, as again the Tribe was harassed by its own mistakes.

# Highlights Of 1955 Football

**LEWIS COLLEGE** — The Indians mauled the Lewis College Flyers 41-6 in the opening game of the season at Kays Field. Under the guidance of new coach Gene Harlow, the Tribe showed a good rolling offense and a stiff defense.

**FLORENCE STATE** — The second game of the season wasn't as spectacular as the opener for the Red and Black, as the Florence State Lions copped a 12-7 win. The Tribe seemed to have a hard time getting started against a rough Florence forward wall. Passes led to the A-State downfall.

**MURRAY STATE** — Homecoming again was a fine spirited occasion for the Indians — but, we lost. Murray State of Kentucky took the Warriors in camp 13-7, as quarterback Tommy Spiers had a hard time holding onto the ball.

**SOUTHEAST LOUISIANA** — Coach Harlow's Redmen weren't supposed to win this game, but they did. They went down to the Bayou country and came home with a 21-12 scalp dangling from their belts. The win evened the season at 2-2.

**MEMPHIS STATE** — Our greatest all-out game of the year. The students turned out in abundance in Memphis to watch the Indians come from behind to win 21-20, on Spiers' three perfect conversions. It was one of the biggest upsets in the history of Arkansas State.

# Season For Our Indians

AUSTIN COLLEGE — Traveling to the state of Texas, the Indians were surprised at finding it completely dry except on the playing field. With the passing game at a low ebb due to the 'extra watering' given the field, the ASC running attack went berserk. Result: A 40 to 19 win for the Indians over Austin College.

TENNESSEE TECH — Another road trip. This time to Cookeville, Tenn., were the Tribe encountered the hard-hitting Tennessee Tech Eagles. With Spiers leading a second half comeback, the Harlow-tutored ASC eleven won another one 27-20.

AUSTIN PEAY — With a four game winning streak at their backs, the Indians ventured to Clarksville, Tenn., next to meet the supposedly weak Austin Peay Governors. Something happened to the Gobs because they were far from being weak, and rapped the Tribe 19-6 in an upset loss for the Tribesmen.

ARKANSAS TECH — Closing out the season before a large Thanksgiving Day crowd, the Warriors proved their mettle by upending the Arkansas Tech Wonder Boys, once the pride of the AIC. The Indians ran all over the Techsters and when the scoreboard quit blinking, it was 33 to 6, favor of ASC.

Over the season, the Tribe scored a total of 203 points to the opposition's 125. That's an average of 22.6 per game, compared to the defensive average of 12.9. The season's record was six wins and only three defeats.

# Indian Basketball Squad Of 1955-56

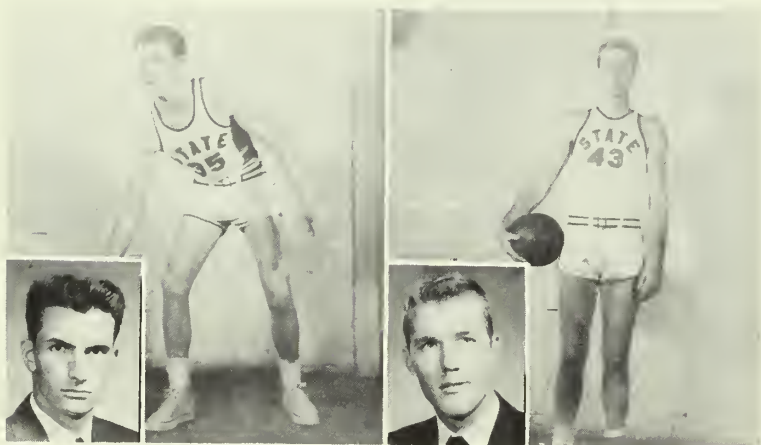

This year's basketball team was one that varied in many aspects. They rose to great heights on several occasions, and also had their bad moments; but overall, they displayed a fine sportsmanlike fighting spirit; full of pepper and vigor; a team that weathered

many handicaps like the loss of ace forward Bob Parker at midseason and several other setbacks, but in the end they still were the Indians. The year's record was 14 wins against 11 losses — not too rosy, you say. Well, maybe not to the casual observer, but

# More Cage Players

to those who sweated out the season with the charges of Coach John Rauth it was a very fine record. Among those wins were some of the finest basketball played in the nation. Wins over Ole Miss, Mississippi State, Mississippi Southern and Northeast Louisiana will

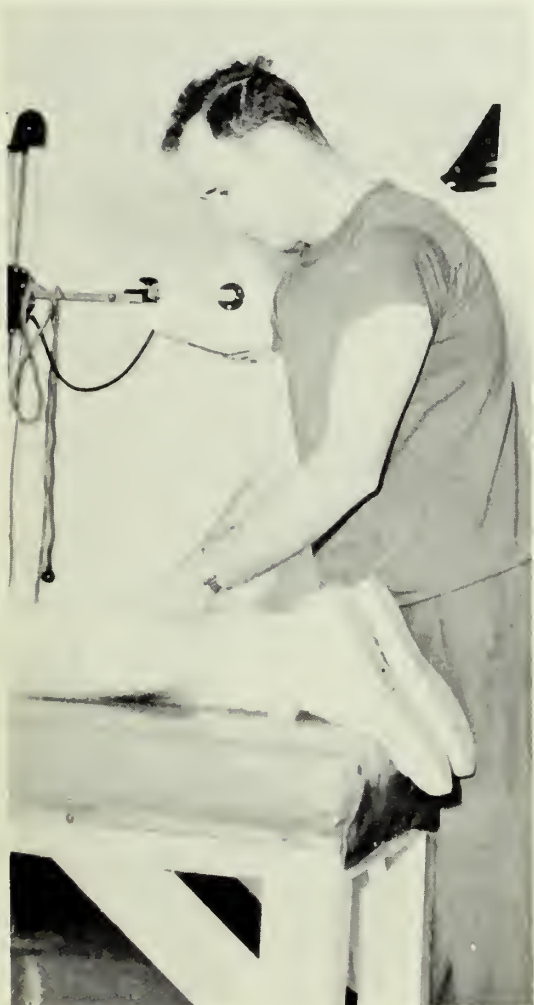

vouch for that. As for the future, only three of this year's team leaves via graduation — Bill Gatlin, Frank Proctor and Bob Hicks, thus leaving the future looking bright.

# A GOOD NEIGHBOR

Producer of more than 70 *Petroleum* and *Chemical* products for Transportation, Industry and Agriculture, Lion Oil Company is proud of its leading role in the development of the South's industrial potential.

Lion sends to market each year the equivalent of more than 65,000 railway carloads of products from its three manufacturing plants in Arkansas and Louisiana. It pays approximately \$17,500,000 yearly to 3,000 employees in wages and benefits, and it pays another \$17,000,000 in taxes. Altogether, Lion puts nearly \$100,000,000 into circulation annually throughout its territory.

Industrial development is going ahead in the South on a bigger scale than ever before. Lion Oil Company continues to lead the way with the most advanced methods of manufacturing, finding and producing vital raw materials, and in scientific research. The result: more jobs, better products for consumers, conservation of resources and more efficient use of those resources. No wonder that to Southerners, the Sign of the Lion has truly become the *Sign of a Good Neighbor!*
